

Certificate of Loan

Certificate no. _____ Insured name _____ Owner _____
(if other than insured)

This certifies that Royal Neighbors of America (the Society) has loaned to the undersigned owner of the above certificate, the principal sum of _____ dollars, repayable at the Home Office in Rock Island, Illinois, with interest accruing daily at the per annum rate specified in the certificate, payable at the end of each certificate year. The principal sum, with interest as aforesaid, shall be a lien on the certificate until paid.

In case of the non-payment of any interest when due as above provided, such interest shall be added to and become a part of the principal sum and shall bear interest at the rate aforesaid. If the total debt on the certificate equals or exceeds the loan value of the certificate, the certificate shall terminate and be void thirty-one days after notice has been mailed to the owner and the assignee of record, if any, at the address last known to the Society.

The debt to the Society under this agreement, or any part thereof, may be paid at any time while the certificate is in force. However, if the certificate is in force under a nonforfeiture option, any debt which was deducted to determine such insurance may not be repaid unless the certificate is reinstated. If the certificate shall become extended term insurance, the then existing debt shall be adjusted as provided in the certificate or according to the Society's practice if the certificate contains no provision relating thereto.

All debt on the certificate, including all debt under this agreement, shall be immediately payable on maturity of the certificate and be deducted from the amount otherwise payable under the certificate.
