

CHAPTERS CHANGING *communities*

Located across the country, and led by women like you, our chapters are making an impact in their communities.

Individuals of diverse backgrounds enjoy the opportunity to connect with others to reach a common, positive goal.

Chapters large and small are making meaningful changes in communities with support from the Royal Neighbors home office.

“We love working with others – we can get more done that way!”
– Opal, Chapter 20134

COMMUNITY | EMPOWERMENT | VOLUNTEERISM

Local chapters help empower women, families, and communities! Royal Neighbors provides support to chapters as well as funding to help make chapter projects and goals a reality.

The more active your chapter, the more funding its eligible to receive.

Network with members from all over the country and engage in unique programs such as Chapter Matching Funds, Difference Maker Fund, and Nation of Neighbors – making it simpler than ever to create a better, stronger community!

Royal Neighbors of America is licensed in all states except, AL, AK, HI, LA, MA, NH, NY. Not all products are in all states.

- Become a member of Royal Neighbors of America to experience the benefits we have to offer.
- Recruit 10 new or existing Royal Neighbors members to join your chapter.
- Complete a few items of paperwork and receive your chapter's start-up funds.
- Plan your first project and begin making a difference in your community!
- Tell us about the great things you're doing! Track your chapter volunteer hours and submit a report once each quarter to receive continued funding.
