## Petition for Charter of Royal Neighbors of America Chapter

Royal Neighbors of America establishes local chapters to enable members and the public to help empower women to achieve financial security, health, and wellness. The local chapter is a common ground where it is believed that self-fulfillment is achieved when women gather, grow and give back. These largely self-governing chapters conduct their activities in accordance with the policies and articles of incorporation and bylaws of Royal Neighbors of America.

We, the members of Royal Neighbors of America signed below, do respectfully petition Royal Neighbors of America to grant a charter to operate a chapter so that the above stated mission may be carried out in
